Baked deliciousness, all in the comfort of your very own kitchen

5 minutes

20 minutes

FOR THE DONUTS

1 cup plain flour
¾ cup caster sugar or coconut sugar
1 tsp baking powder
¼ tsp bicarb soda
Pinch of salt
1 small egg
½ cup full cream milk
1 tsp vanilla extract
1 tbs butter

FOR THE VANILLA ICING

1 cup icing sugar
1 tbs butter, softened
½ tsp vanilla extract
1-2 tbs milk
Food colouring of choice
Sprinkles, as desired

FOR THE CHOCOLATE ICING

1 cup icing sugar
¼ cup cacao powder
1 tsp vanilla extract
2-3 tbs milk
Sprinkles, as desired

METHOD

Preheat the oven to 180°C.

Place the **TupperChef™ Baking Rings** on a baking tray.

Combine donut ingredients in a **Thatsa® Bowl Junior**.

Evenly distribute the batter into the cavities of the **Baking Ring**, ensuring each cavity is only halfway full.

Transfer to oven and bake for 15-20 minutes or until donuts bounce back when touched. Remove from oven and cool before unmolding.

For vanilla icing, combine all ingredients (excluding sprinkles) in a **Thatsa Bowl Mini**. Dip the donuts in the mixture, scatter with sprinkles. Allow frosting to stand for 30 seconds until slightly hardened.

For a chocolate icing, combine all ingredients (excluding sprinkles) in a **Thatsa Bowl Mini**. Dip donuts in chocolate mixture, before scattering with sprinkles. Allow frosting to stand for 30 seconds until slightly hardened. Serve.

TUPPER TIPS

- For a chocolate flavoured donut, add 2-3 tbs cacao powder and 2 tbs milk to the donut batter.
- For cinnamon donuts, combine ½ cup caster sugar and ½ tsp sugar in a bowl and toss donuts while warm.
- Use crushed nuts, chocolate flakes or crushed cookies as an alternative to sprinkles.
